You do not have to use the colors
 as shown.
 they are there more for color stops
 madeira 1029 is your placement lines

Hoop your fabric. I used cotton batting instead of stabilizer
Insert hoop and sew out the first placement lines
the Legs and the tail

Remove your hoop and iron the precut legs and tail in place

Replace the Hoop and sew out your colors

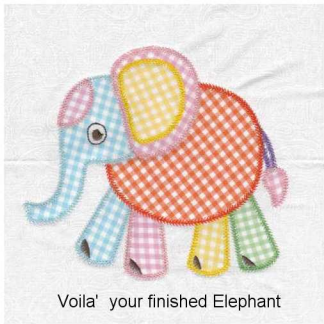

You can follow the map of the order the fabric pattern pieces for the elephant

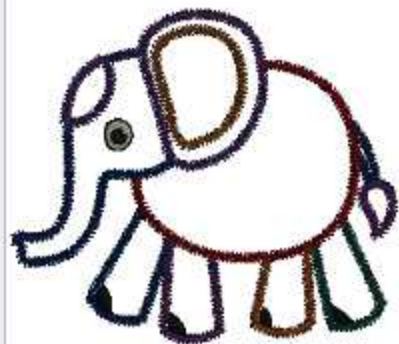

Next is the tail tip and the body then the head

then the crown and then the ears
last is the embroidery of the eyes
Took me about an hour to sew out

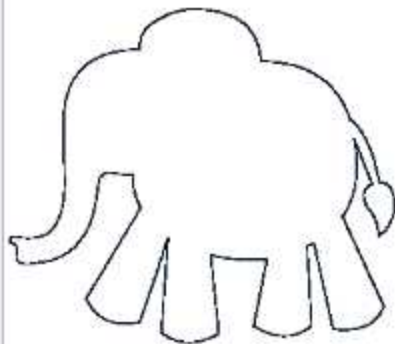

Voila' your finished Elephant
